

Payment Information
Parents please read!!!

We understand that with the way our economy is, our community members are struggling. Therefore, we have cut the cost of attending camp almost in half this year! In the past we have required payment in full to hold your registration for Spirit of A Young Woman Camp. This year, a \$25.00 non-refundable deposit is required to hold your daughter's place in camp. The remaining \$25.00 will be collected at a later date. Scholarships are available but are in short supply. We do not want money to be the deciding factor for your daughters participation in camp. Sign your child up now before the spots are taken!

What is Spirit Of A Young Woman Camp?

Our camp is a learning experience that will enable young ladies to lead healthy and fulfilling lives.

Get set to learn about many useful subjects such as how to improve your self-esteem, nutrition and healthy eating, planning for the future and many other issues that are important for young ladies. We will also have many fun activities for you to participate in during your 5 day stay! We will have a Red Carpet Event, a trip to the mall, and many other fun activities.

The mission of the Spirit of a Young Woman Camp is to provide teen girls with valuable learning experiences through summer enrichment activities. By exposing them to a vast realm of knowledge and opportunities. It is our goal to encourage the girls to maintain positive life choices and develop healthy decision making skills.

Get all dressed up for our Red Carpet Event! As one of the many exciting activities we will be enjoying at camp, we will be getting all dressed up for a movie premiere, awards ceremony, elegant dinner and an interview from the paparazzi during our red carpet event.
